[1] CPT codes and descriptors only are copyright 2020 American Medical Association. All Rights Reserved. Applicable

[2] If values are reflected for a code with a status indicator other than "A", "R", or "T", the RVUs generally reflect recommendations submitted to CMS processed through the PFS methodolgy without modification.

TC = Technical component

26 = Physician interpretation

Status Code Indicators

A = Active. These codes are paid under the physician fee schedule if covered.

B = Payment for covered services are always bundled into payment for other services. There will be no RVUs or payment amounts for these codes and no separate payment is ever made.

C = Carriers/MACs priced code. Carriers/MACS will establish RVUs and payment amounts for these services.

I = Invalid code

N = Non-covered services.
