Contact Name: Elayna Rucker  
Contact Email: [ERucker@cambrooke.com](mailto:ERucker@cambrooke.com)

Amino acid-based formulas, EquaCare Jr and Essential Care Jr, for children with severe protein food allergies and digestive disorders. EquaCare Jr our 'standard' amino acid-based formula made with the same nutrition and a similar taste as other brands, but at a lower price. Our premium formula, Essential Care Jr., is the first amino acid-based formula made with natural ingredients, no corn syrup solids, no artificial flavors, and no artificial sweeteners. Essential Care Jr. is carefully designed with nutrients that may help to deliver resolution of gastrointestinal symptoms, while still meeting the needs of those with food allergies.

## Booth 959

## Brevium

*Product Category: Computer Hardware/Software;*

*Office Management*

947 S. 500 E.

Suite 250

American Fork, UT 84003

Phone: (801) 854-5424

Website: [brevium.com](http://brevium.com)

Contact Name: Chris Andrew

Contact Email: [candrew@brevium.com](mailto:candrew@brevium.com)

Bring lost patients back – Brevium is a provider of software that makes it easy to reactivate patients lost to follow-up, by mining the recalls, visit history, and claims data within a practice management system database. Results can be uploaded to an automated patient communication platform for outreach or staff can make live calls using the caller application. ROI calculation is easy – the software generates reports to ensure the process is tracked and easily understood. Based on many installations, practices may expect revenue, office visits and surgery volumes to increase dramatically with Brevium technology.

At Food Equality Initiative (FEI), food is medicine. We provide access to the only known medicine needed to treat food allergies and celiac disease: free-from foods. FEI is committed to ending hunger in the food allergy and celiac disease communities. Our service is threefold: Access, Education, Advocacy. We facilitate access to safe food, provide educational and culinary materials, and advocate for the traditionally underrepresented populations in healthcare. FEI eases the financial and psychological strain food allergies and celiac disease have on individuals and families. We collaborate with healthcare providers, local and national nonprofits, government agencies, educational institutions, and food manufacturers.
