Status Code Indicators

A = Active. These codes are paid under the physician fee schedule if covered.

B = Payment for covered services are always bundled into payment for other services. If these services are covered, payment for them is subsumed in the payment for the services to which they are bundled. If RVUs are shown, they are not used for Medicare payment.

C = Carriers/MACs priced code. Carriers/MACs will establish RVUs and payment amounts for these services.

I = Invalid code.
